Gentlemen:

We can still accept a few more orders for our electronimated show The Wolfpack 5 for delivery about June 15, 1979. If you were at the Atlanta convention, you know it's a crowd stopper.

But call us soon.

Sincerely,

Aaron Fechter
President

We can customize to your theme. Pictured is The Wolfpack 5 which was awarded the Edward L. Schott first prize at the 1978 I.A.A.P.A. convention in Atlanta as the most meritorious exhibit of equipment, services or supplies.
